ALFIE GETS IN FIRST

by Shirley Hughes

Alfie has won the race to be first home but, oh no! He's slammed the front door and Mum and Annie Rose are on the other side.

Will he be able to solve the problem all by himself?

Fire Engine Fun

Make a fire engine out of a cardboard box and role play "rescuing a favourite toy".

The toy could be stuck in a box, cupboard or in another room.

You could wear a fire fighter helmet and jacket.

Emergency 999!

In this story Alfie was unsure what to do when he accidentally locks himself in his house. Have a go at talking with your child about how to contact emergency services by dialling 999.

This is a very useful skill for young children to learn as they will be able to keep themselves safe.

Find out if your local fire station has an open day and go along and meet some real fire fighters.

I'm a Little Teapot

*I'm a little teapot,
short and stout.
Here's my handle,
here's my spout.
When the tea is ready,
hear me shout!
Tip me up and pour me out.*

Have fun pretending to make and pour tea whilst singing 'I'm a little teapot', just like Alfie does at the end of the story.
